

THE **CALL** OF THE WILD!

A NATIONAL CALL-IN DAY OF ACTION AND PROTEST TO SAVE AMERICA'S WILD HORSES AND BURROS AND OUR PUBLIC LANDS

When: Tuesday, July 1, 2025

This is an urgent alert for every organization and individual who cares about the protection, preservation, and survival of America's Wild Horses and Burros and our precious Public Lands. We must all act together on **One Massive National Call-In Day of Protest**. We ask each of you to spend just 10 minutes of your time on **Tuesday, July 1, 2025**, to call your two U.S. Senators and your Member of Congress in the House of Representatives.

Here is where to call and what to say:

**CALL your two U.S. Senators and your House Representative through the Capitol
Switchboard (202) 224-3121 or their offices.**

Please ask them to:

- 1. GUARANTEE** that the FY2026 Appropriations Bills, which are being worked on right now, include a ban against the slaughter and killing of Wild Horses and Burros, as previous bills have had in the past. There are over 64,000 Wild Horses and Burros in holding facilities, and 10,000 more are scheduled to be rounded up and removed before October 1, 2025.
- 2. REJECT** the Privatization and Sale of America's precious Public Lands, home to 3,000 species of Wildlife, including our Wild Horses and Burros. The vast majority of Americans oppose the selling or closing of Public Lands, [according to a 2025 poll](#).

On Tuesday, July 1, 2025, let us all unite under

One Big **CALL OF THE WILD Umbrella**

and speak to Congress together in one loud voice,

“Hands Off Our Wildlife! Hands Off Our Public Lands!”
